Policy Purpose

- 1 The purpose of this policy is to set out the principles and framework for determining the fees charged for courses offered by Kingston, South Thames, Merton and Carshalton Colleges (South Thames Colleges Group)

Overriding Objectives

- 2 The following objectives underpin the Fees Policy of South Thames Colleges Group (STCG) for 2024/25:
 - a. The fee structure of the College should be transparent.
 - b. The fee structure should be easy to understand for all prospective learners and enrolment staff.
 - c. The fee levels should be competitive, but not unduly discounted.
 - d. The fee levels applied to individual courses should ensure financial viability.
 - e. The policy should be in line with relevant legislation and funding body rules.
 - f. The implementation of the policy should not be administratively burdensome but should be sympathetic to the learner's needs.

Scope

- 3 The Fees Policy is a key document, which is approved by the Finance Planning Resources Committee of the Corporation. The Group Leadership Team will be responsible for ensuring that all relevant staff members become familiar with the policy as part of the 2024/25 planning process.
- 4 The Fees Policy will be available on request to learners. It will also be published on each College website.

Responsibility

- 5 Responsibility for implementing the policy rests with the Group Leadership Team.

Fee Types

6 The following fee types will apply in 2024/25:

- a. Course Fee. This is payable for a learner to participate in a course.
- b. Examination Fee. This is payable for a learner to undertake an examination or assessment to enable the completion of any qualification. This may also include where necessary an element that is payable for a learner to register with an Awarding Body or Professional Body to enable the award of any qualification;
- c. Additional Costs / Material Costs Fee. This is a fee to meet the costs that may be incurred by a learner when undertaking a course, over and above the course fee (e.g. specialist equipment, uniform, educational visits, CRB/DBS registration costs).

Course Fees

7 Course Fees will be set for each education and training course offered in line with the following principles:

- a. Where a learner is fully funded as defined by the relevant funding body rules, then no Course Fee will be charged.
- b. Where a learner is co-funded then the Course Fee is set in reference to the national fee rate for the courses published on Find A Learning Aim (FALA). This fee is recommended at 50% of the funding rate, but may vary from the rate as appropriate and in accordance with delivery costs.
- c. Where a learner is funded for their course through a Student Loans Company FE loan, fees will not exceed the qualification funding rate specified on FALA.
- d. Learners who enrol on programmes funded directly by Office for Students (OFS) will be required to pay the published fee. The fee for each course can be obtained from the College web- site or by contacting Student Admission Services at each College. Where programmes are funded by a partner university but delivered by the College, the partner university will charge a fee directly in accordance with their Fee Policy.
- e. Fees for overseas students will be published having regard to delivery costs, level and mode of study.
- f. Learners who enrol on programmes funded by a school or a local authority will not pay a fee.
- g. Course Fees for Adult and Community Learning courses will be set in accordance with the terms of the specific agreements with the respective Local Authority, such that the overall programmes are financially viable.
- h. Course Fees for other Full Cost provision will be set at market rates, ensuring that courses are financially viable.

- 8 Any variation from the Course Fees principles set out above must be approved by the Deputy CEO.
- 9 All Course Fees will be valid for the period 1 August 2024 to 31 July 2025. Where learners enrol on courses that continue beyond 31 July 2025, they should be made aware that any fees due after this date (e.g. for the second year of a course) may be subject to amendment. Courses Fees are non-transferable between individual learners.
- 10 The STCG reserves the right to change any Course Fee. Any fee changes will not be applied retrospectively, unless specifically agreed.

Additional Costs/Materials Costs Fee

- 11 Where appropriate, an Additional Costs/Material Costs Fee will be payable to meet the costs of providing materials that are over and above the course fee (e.g. specialist equipment, uniforms, educational visits, CRB/DBS registration).
- 12 This fee may be chargeable to fully funded learners where the materials/items provided are for optional/additional equipment or services not required to complete the course such as clothing, educational visits or personal equipment/materials. These may be charged at the level notified to the learner or sponsor at enrolment.

Fees Publication

- 13 The approved Course Fee and other elements associated with each course will be agreed in advance of the academic year and recorded against each course in the Course Database (EBS). This data will form the basis for all course fees listed in marketing material such as the prospectus and website.
- 14 Where fees are published by the STCG or third parties for external use, the Course Fee should always be quoted clearly indicating the elements of Course Fee, Examination Fee and Material Costs / Additional Costs, where applicable.
- 15 A central file detailing Material Costs / Additional Costs where relevant will be maintained so that details can be provided to potential learners on request.

Examination Fees

- 16 Where appropriate, an Examination Fee will be payable for a learner to undertake an examination or assessment to enable the completion of any qualification. This may also include, where necessary, an element that is payable for a learner to register

with an Awarding Body or Professional Body to enable the award of any qualification.

17 An Examination Fee will not be payable where a learner is fully funded by the ESFA or GLA.

18 The following Examination Fee concessions will apply:

- a. For GLA & ESFA funded learners, the categories identified in paragraph 20 as eligible for 100 per cent tuition fee concessions are also eligible for 100 per cent examination fee concessions (i.e. exam fees are zero).
- b. For Higher Education full cost learners, no exam fee concessions are given.
- c. For project funded learners, exam fee concessions may be given, dependent on the project specifications.
- d. For International learners, no exam fee concessions are given.
- e. For employer funded learners such as Apprenticeships, fee arrangements will be determined with each employer.
- f. There are no exam fee concessions given for other learners.
- g. For Full Cost (unfunded) learners, Professional and Teacher Education courses, no exam fee concessions are given.
- h. For Community Learning funded learners, no exam fee concessions are given.
- i. The College reserves the right to charge the exam fee in the following circumstances:
 - i. attendance and/or coursework requirements have not been met;
 - ii. the learner is re-taking a whole or part qualification;
 - iii. the learner fails to attend an examination without good reason.
 - iv. After failure to achieve a qualification or element of a qualification, the learner repeats an examined element.

Eligibility Evidence

19 The College reserves the right to verify the eligibility of all learners for fee concessions and to make the necessary checks and request evidence to support eligibility of the learner.

20 It is the responsibility of the learner to notify the College of any change in status that may affect their eligibility for fee concessions. The College, however, reserves the right to make checks to verify continuing eligibility to fee concessions.

21 The College will make learners aware of any financial support that may be available to them from the College to assist in meeting Course Fees.

Means of Payment

22 The College accepts payment of fees via the following means:

- Cash (sterling)
- Debit Card
- Cheque
- Credit Card (excluding American Express)

23 Where an employer or other third party has agreed to pay a Course Fee on behalf of an individual, payment will be by invoice under the condition that a written agreement from the third party to pay the Course Fee is provided at the time of enrolment.

24 The College will then invoice the employer or sponsor within one month of the student's enrolment. Fees are payable within 30 days of the invoice date.

Advanced Learning Loans

25 Loan funded learners shown at paragraph 20 (with the exception of Advanced or Higher level apprenticeships) will not be eligible for funding and will need to pay for the course themselves, through an employer or contact the Student Loan Company to agree a student loan facility. Student Finance England is responsible for assessing whether learners are eligible.

26 The College will provide a Learning and Funding Information letter to help learners make their application. The letter must include:

- i. The UK provider reference number;
- ii. The learning aim reference number;
- iii. The title of the learning aim;
- iv. The fee charged to the learner; and
- v. The maximum amount of loan available for the learning aim or apprenticeship framework on LARS.

27 Further details on 19+ Learning Loans can be found in the ESFA website, Government Direct Website and the Student Loans Company website.

28 Learners are responsible for ensuring that they are eligible for loan funding prior to enrolment, and remain liable for any fees in the event that they are deemed ineligible, or in the event that payments from the Student Loans Company cease for any reason.

HE Loans

29 Learners may apply for HE loans from the Student Loans Company in support of Course Fees.

- 30 Learners are responsible for ensuring that they are eligible for loan funding prior to enrolment and remain liable for any fees in the event that they are deemed ineligible, or in the event that payments from Student Finance England cease for any reason

33 Employed or Sponsored Students:

- Subject to written confirmation that an employer or sponsor will take responsibility for the payment of a student's fees the STCG will invoice the employer or sponsor within one month of the student's enrolment. Fees are payable within 30 days of the invoice date.

- 34 Any variation to these payment terms required to address the specific circumstances/characteristics associated with discrete delivery areas will need to be agreed on a case by case basis by the Deputy CEO.

Transfers

- 35 In the event of a learner transferring between courses, there will be no financial penalty, or refund, but if the course transferred into has a higher Course Fee, the learner must pay the difference at the point of transfer.

Policy on refund of fees

- 36 The College commits staffing and resources to courses on the basis of learner enrolments and will only offer refund of fee payments in limited circumstances.
- 37 Full details of the College's policy on refunds (to FE and full cost learners) is set out in Appendix A, Group Refunds.

Additional Fees

- 38 If a learner exceeds the expected duration of a course, for example a learner has not completed all assessments within the expected timescale, additional fees may be levied to cover any additional costs of assessment or administration that might arise. These will be determined on a case by case basis and must be approved by the relevant Assistant Principal.
- 39 The College reserves the right to charge a fee to learners for amendments to qualification certificates if the changes requested by the learner are for a reason other than an error made by the College.
- 40 The College's normal practice is to make qualification certificates available for collection by individual learners. If a learner requests that the qualification certificate(s) are to be delivered to an address other than the College, then the College reserves the right to charge a reasonable fee for the administration and cost of delivery. The qualification certificate(s) will not be dispatched until the fee has been paid in full.
- 41 The College reserves the right to add any reasonable collection costs incurred to the outstanding fee balances in the event of non-payment following the issue of all standard reminder letters, and to use the services of external agencies to support the collection of fees due.

Refund policy for students on Full Cost Courses

A cost recovery or full cost course is one where there is no additional source of funding (i.e. from Funding Bodies). The tuition fees paid by the students on these courses have to recoup all the costs of the course and contribute to the fixed costs of the college.

Therefore, there are no refunds on full cost courses, except in the following circumstances.

- Or the Head of School considers there are exceptional circumstances

The following are **not** considered exceptional circumstances and will not automatically entitle you to a refund:

- You change your mind about enrolling on the course
- You move away to another area

The amount of the refund will be:

- The fees paid for complete terms not yet started, minus the deposit, minus any charges the college has paid on your behalf
- A student will be considered to have started the term, unless written notification of the student's intention not to continue is received before the first day of the relevant term
- Such sum as Head of School considers appropriate

Online and Telephone Enrolments

- For enrolments that are completed wholly on-line or via telephone, the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 apply. The College complies in full with the Regulations and will provide a full refund of any fees paid if a cancellation is received within fourteen days of the initial enrolment, and before the course has started.
- In circumstances where the course starts within the fourteen day cancellation period, the refund given will be adjusted to reflect the proportion of the course delivered at the point of cancellation.
- Once the fourteen day cancellation period has elapsed the College standard refund policy will apply.
