## Mental Health Awareness Day

Did you manage to attend one of our Mental Health Awareness Day events? On Thursday (Merton) and Friday (Carshalton) last week, the Mental Health and Wellbeing Team invited students in to the Common Room to enjoy some activities, specifically targeted at improving Mental Health and Wellbeing. Activities included mindful breathing, colouring sheets, games and much more. The event even raised over **£600** for the young people's Mental Health Charity, YoungMinds!
