DALAL – Essential Digital Skills

I am a 53-year-old Lebanese woman who has had minimal exposure to digital technologies in the past.

However, the course curriculum provided a structured pathway for me to develop essential digital skills. I began with basic computer literacy and gradually moved on to topics like internet browsing, email management, and word processing.

My journey illustrates the transformative power of adult education, as it empowers individuals to thrive and gain a sense of confidence in an increasingly digital world.

Fees, Concessions and Financial Support

Our courses are funded by the Greater London Authority's Adult Education Budget (AEB). Fees on these courses are subsidised, some are absolutely free or learners can get a discount, depending on their entitlement or employment and financial circumstances.

We also offer Full Cost (FC) courses where learners pay full fees. These courses are for learners' personal interests and are not supported by public funds.

Forms of Payment

We accept cash, cheque and most forms of credit card (one exception is American Express).

Pay by Instalments

- If your course lasts one term or the fees are up to £500 full fees are paid at enrolment.
- If your course lasts one term and the fees are over £500 you can pay by 2 instalments. 50% at enrolment and 50% 1 month later.
- If your course is longer than one term (but not a full year) and over £500 you can pay in 2 instalments, 50% at enrolment and 50% 2 months later.
- If your course is 1 year or longer then you can pay by 3 instalments 33% at enrolment, 33% on 31st Jan and the balance on 30th April.

Please speak with our Admissions Team for more details at enrolment and note that you are still liable for the course fee even if you withdraw from the course.

Unemployed Adults in Receipt of Means Tested Benefits

If you are unemployed, looking for work and are in receipt of a means tested benefit, all the qualification courses in this prospectus are free. You will need to provide supporting evidence to qualify for a government fully funded course.

Learners on a low Income

You do not have to pay any course fees if you meet both of the following criteria:

- You are in paid employment
- You earn less than £25,642.50 annual gross salary and live in London or earn less than £25,000.00 and live outside London.

You will need to provide proof of income. For example, this could be a wage slip within three months of the course start date or a current employment contract, if you are new starter, which states gross monthly/annual wages. Fee remission under this category is at our discretion and must be claimed before

the start of the course. Refunds will not be given after the start of the course.

Level 2 Entitlement

If you are aged 19-23 years old, you may be entitled to free tuition if you do not already have a qualification at or above Level 2 or Level 3.

SARAH – Graphic Design

I enrolled in the Graphic Design course to pursue a career change into the creative sector, blending artistic and digital skills to work flexibly and independently. The course has transformed my confidence and abilities, enabling me to develop strong technical skills, produce professional outcomes, and build a portfolio. It also served as creative therapy, helping to relieve stress and inspire personal growth. Despite balancing the course with work, I succeeded with the support of a dedicated tutor. I'd encourage anyone to take the leap—be organised, stay curious, and embrace new opportunities.
